

Snounce A 3d snake momentum platformer.

Play as a stretchy comically long fox that jumps into rodent holes of many shapes and sizes, eating said rodents on your way out, growing longer and gaining speed. keep up the pace and take care not to run into yourself as you stretch longer and occupy previous tunnels. After a certain stage of growth the earth collapses, you shrink down get a little faster and repeat the process to compete for a higher score

Revision #1
