

Background Art

The background should be done in layers so that it has parallax (check out [Ori and the Blind Forest](#), and [Disney's MultiPlane Camera](#) for inspiration) .

Paint Background elements at 3840 x 2160 pixels so they look nice on a 4K monitor

Farthest

- Sky color and clouds

Far Background

- Circus tents
- Fairgrounds attractions (Ferris Wheel, Roller Coaster, Signs and lights)

Background

- Forested area (trees, bushes)

Gameplay area (extra assets to be created on tiles sheets)

- Ferns
- Flowers
- Grass
- Tiny rocks

Foreground (on top of the game)

- Ferns
- Flowers
